In Case You Smell Gas

When we say that PNG is one of the safest burning fuels in the world,we are not making tall calims.We are making true ones,but abiding by the old adage precaution is better than cure we enlist Do's and Dont's for our PNG consumers in case of a leak.

Open all doors and windows.Remember natural gas is lighter than air and hence will disperse.

Shut off your natural gas supply, if possible.

Do not operate light switches.
